

DDSERVICE 2015

INTEGRATED TECHNOLOGY SOLUTIONS | SINCE 2015

Chiang Mai, Thailand | Tel: 053-241-860, 088-258-2965 | www.ddserviceth.com

COMPANY PROFILE & CAPABILITY STATEMENT

1. ABOUT US & CORPORATE BACKGROUND

Founded in 2015 in Chiang Mai, DDSERVICE2015 has delivered enterprise technology solutions for over a decade. We specialize in system engineering, turnkey deployment, and maintenance for commercial buildings, industrial manufacturing plants, residential estates, and public institutions. Our engineering-first methodology guarantees stability, neat cabling standards, and lifetime support.

2. CORE SERVICES & EXPERTISE

A. AI CCTV & SURVEILLANCE

- * License Plate Recognition (LPR) & ANPR
- * AI Perimeter & Intrusion Detection
- * Centralized VMS & Multi-Site Monitoring

B. FIBER OPTIC & STRUCTURED CABLING

- * Fusion Splicing & OTDR Certified Testing
- * Backbone Campus & Factory Plant Links
- * Cat6 / Cat6A Certified Structured Cabling

C. NETWORK INFRASTRUCTURE

- * Core/Access Managed Switches & VLANs
- * Enterprise WiFi 6 & Mesh Roaming
- * Server Rack Cable Dressing & Neat PDU

D. ACCESS CONTROL & AUTOMATION

- * Facial Recognition & RFID Turnstiles
- * Smart Barrier Gates with RFID / Bluetooth
- * Fire Alarm & Emergency Exit Interlocks

E. SOLAR ENERGY & MISSION-CRITICAL POWER

- * Solar Rooftop On-Grid / Hybrid Systems for Factories & Commercial Buildings
- * Enterprise On-line UPS & Surge Protection for Sensitive Networking Gear
- * Zero-Downtime Design & Periodic Preventative Maintenance (PM)

3. OUR WORKMANSHIP STANDARDS

1. Engineering Site Survey: Detailed signal loss, camera angle, and power load assessment.
2. Clean Conduit Routing: Heavy-duty EMT/IMC and HDPE conduit with labeled cabling.
3. Comprehensive As-Built Documentation: Wiring schematics and IP address allocation map.
4. Rapid On-Site Warranty: 24-48 hr response SLA across northern region for enterprise SLA clients.

CLIENT REFERENCES & PROCUREMENT INFORMATION

Chiang Mai, Thailand | Tel: 053-241-860, 088-258-2965 | www.ddserviceth.com

4. TRACK RECORD & KEY PROJECT PROFILES

Hospital & Healthcare Network Modernization Scope: High-reliability Multi-gigabit Fiber Backbone, 40+ Access Points, Server Rack Reorganization Result: 99.99% uptime for medical imaging transmission and zero inter-building packet drops.
Industrial Manufacturing Campus - Smart CCTV & Access Control Scope: 64-Ch AI IP CCTV, License Plate Recognition at Guard Gates, Face Scan Turnstiles Result: Automated entry tracking for 800+ employees and ISO 27001 physical security compliance.
Luxury Gated Residential Community - Integrated Security System Scope: Long-Range RFID Barrier Gates, Perimeter Laser Sensors, Fiber Optic Ring Network Result: Seamless resident ingress/egress and 24/7 centralized clubhouse monitoring.

5. CORPORATE & PROCUREMENT SPECIFICATIONS

Legal Entity:	DD SERVICE 2015 LIMITED PARTNERSHIP
Commercial Reg:	Tax Identification Number 0503558004551
Headquarters:	Mueang Chiang Mai District, Chiang Mai 50000 Thailand
Service Area:	Northern Thailand (Chiang Mai, Lamphun, Lampang, Chiang Rai, Phayao)
Warranty & SLA:	1-3 Years Hardware & Installation Warranty with Preventative Maintenance
Procurement Inquiries:	Direct Line: 053-241-860 / Email: contact@ddserviceth.com / contact.ddservice@gmail.com

REQUEST A SITE SURVEY & OFFICIAL QUOTATION

Contact our technical solutions team for an on-site evaluation and engineering design proposal.
